

## LEONGATHA LITTLE ATHLETICS RESULTS

Threatening weather and muggy conditions failed to deter 115 competitors from turning out to the velodrome oval for Leongatha Little Athletics last weekend, with 160 personal best times recorded and five centre records broken.

Fresh from a strong showing at the recent Victorian primary school state championships, where he placed third in the high jump (1.30m), Brett Thorson backed up at club level to equal Julian Patterson's 1.33m centre record set two seasons ago for under 11 boys.

After placing second in the state championships in the long jump (5.11m), Wes Graeme also recorded a new benchmark in the event at club level with a 4.54m jump in the under 13 boys' class, extending the mark he set earlier in the season.

Also in the sandpit, Ruby Martin took the under 10 girls' triple jump record out to 7.45m, 5cm past the mark Eleanor Patterson set in 2005/06.

Other centre records went to Jemma Standfield in the under 6 girls' discus (10.76m) and Mitchell Bentvelzen, who threw the vortex 31.32m in the under 10 boys' class.
